Hotel Borgafjäll

Borgafjällen is located in the southern Lapland mountain range, 760 kilometres from Stockholm by car, 320 kilometres from Umeå. Beyond the last road sign, Borgafjällen lies where vast mountain ranges mark the Norwegian border. Hunting, fishing and Sami culture has always been central to the village history, which is why many of our recreational activities are closely tied to the local tradition.

Experience a gourmet dinner in our restaurant, recognized as Västerbotten's most beloved building by the council of Arkitekturtinget in 2001, awarded Lapland's Best Restaurant by White Guide in 2007, and recognized as one of Sweden's finest restaurants by the society Best Tables of Sweden.

They are looking for Englishspeaking chefs, cleaners, washer ups for the winter season from December 2007 to May 2008.
