16 - 20 OCTOBER 2013

ABOUT the 28th Trade Expo Indonesia (TEI) 2013

With great response from the exhibitors and visitors, we are proud to conclude the 27th Trade Expo Indonesia last year with success.

Trade Expo Indonesia (TEI) is an annual trade exhibition organized by the Ministry of Trade of the Republic of Indonesia. This year the TEI will be organized in cooperation with Ministry of Industry and Indonesia Investment Coordinating Board.

Indonesia's profile among international investors rose after Fitch Ratings and Moody's Investors Service upgraded the country's credit worthiness to investment grade for the first time since the Asian financial crisis. For the whole of 2012, Foreign Direct Investment rose 26.7% to USD 22.8 billion. The combined total from foreign and domestic investors for the full year rose 24.6% to USD 32.3 billion.

Therefore, the Expo is aimed to promote quality Indonesian-made products and services to the global market, to better develop business and investment networking, and to exchange potentials and opportunities especially for those seeking to venture and invest in Indonesia's industrial sector in the face of increased competition and uncertainty in the global economy.

The theme for TEI 2013 is "Remarkable Indonesia". This theme is selected to reflect the great variety of products, services and investment destination that Indonesia is ready to offer, ranging from the mining sector, manufacturing sector, services sector, transportation, storage and telecommunications, and automotive sector. Exhibitor Profile: Leading Indonesian manufacturers, exporters, wholesalers and operators of related businesses in virtually all industries in Indonesia. Approximately, there will be more than 600 companies in 2,000 booths.

General Information

All visitors to Indonesia must be in possession of a valid passport for at least six months from the date of arrival for certain countries and must be checked for current regulations prior to departure. Call our Indonesian Embassy or Consulate for up-to-date information or log on to www.imigrasi.go.id. Most business visitors will be welcomed at the airport by Directorate General of National Export Development (DGNED) staff. Trade Expo Indonesia 2013 will have a reception and information desk at Soekarno-Hatta International Airport to guide all official delegates to their hotel pick-up service.

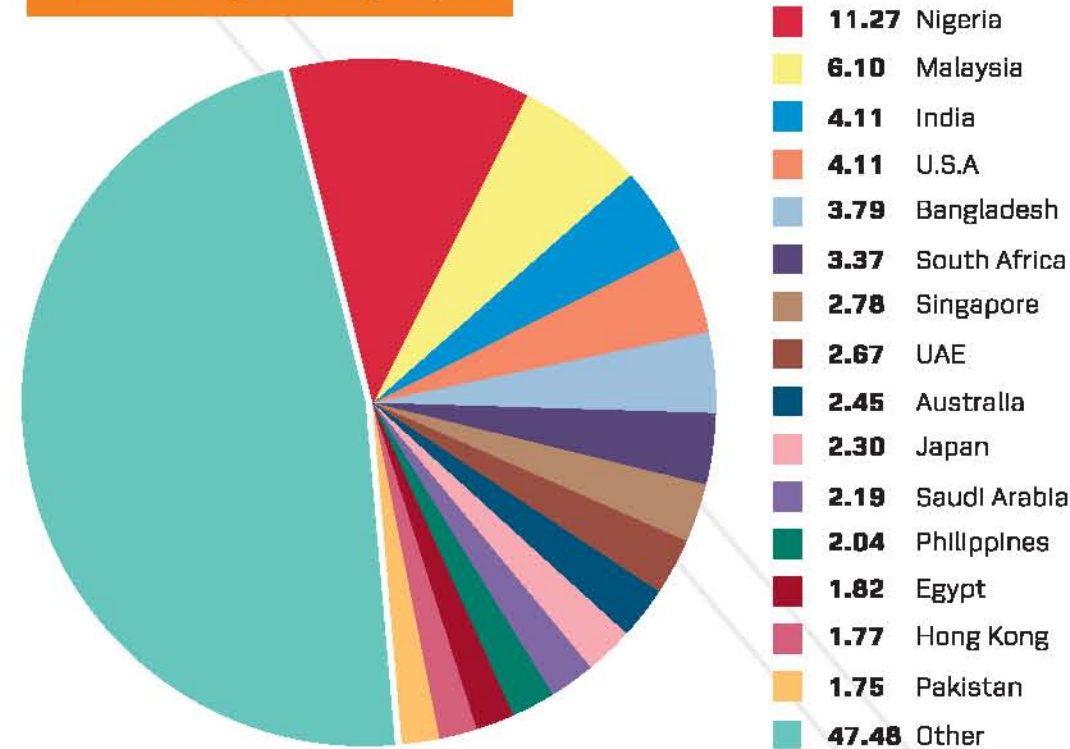

Business Centre

Business Centre is located near the registration desk with secretarial service, computers, fax, and internet connections.
