

OFFSET PRINTER

About Smart Packaging Solutions

As part of the VPK Packaging Group, we have been the reference in the production and processing of solid board since 1989. From three fully integrated, high-tech board plants we produce a wide range of packaging products for, for instance, the horticultural industry, vegetables, meat and fish. Both nationally and internationally. The knowledge and skills of our employees, combined with their strong focus on innovation and service, make us the packaging specialist worldwide.

Working as an offset printer?

Are you looking for an active job as an offset printer in an innovative organization, with a lot of attention for your personal development? Then we have a great opportunity for you! At Smart Packaging Solutions, we are looking for an ambitious offset printer who is not afraid to roll up his sleeves. As our offset printer in three shifts - with work schedules that are known well in advance - you will be working on active, varied tasks at our printing facility in Meer, Belgium. Our Meer plant is a 'speciality plant' and thus a developer of packaging with high added value and very high- quality printing.

What can we offer you?

- A pleasant working atmosphere, with colleagues who are there for you
- A healthy and safe workplace
- State-of-the-art machinery; Heidelberg XL 162 and Man Roland, both 5-colour with varnish
- Training to get the best out of you
- Opportunities for advancement
- Excellent secondary employment conditions and a market-conforming salary

What do you need?

Above all, you have to be motivated to put your shoulders to the wheel together with your colleagues in order to realize our ambitions: the production of very high-quality packaging. Besides, you have completed an education in printing and already have experience as a printer. You have experience with automated processes and are willing to follow training courses to become even better. And of course:

- You show your best side;
- You work cleanly and have an eye for detail;
- You are a team player;
- You are flexible and find working in a 3-shift system OK;
- You take personal responsibility;
- You appreciate a good, collegial working atmosphere.

Do you recognize yourself as the enthusiastic offset printer we are looking for and do you have the ambition to work in an international organization? Then send your motivation and CV to
