## EURES – Vacancy form

### Employer

The employer is a registered Austrian company. It has a service agreement for personnel search via EURES with the AMS Austria.

**Therefore, the NCO Austria will act as its representative.**

As we have to attach great importance to the traceability and evaluation of the measures within the framework of the PMS, all applications will be preselected at minimum once by the AMS EURES Advisor and in the best case first by your EURES staff. In case of suitability the application will be forwarded to the employer. Therefore, direct contact with the employer will only be made at appropriate accuracy. If needed, we are happy to forward the data of the employer to you, but with the agreement that the data will not be forwarded to third parties.

### Contact

All application documents for the pre-selection only via the AMS Austria. See contact in the section “application”.

### Description of Company

We are an Austrian traditional family-owned company with an excellent reputation on the market. We have been a very successful partner in industrial plant construction since 1961 and support our long-standing customers in pipeline construction and mechanics, in electrical, measurement, control and regulation technology (EMSR) as well as in apparatus, special container and tank construction. As part of our successful family business, you benefit from a pleasant working atmosphere and numerous opportunities for professional and personal development. In our company you can expect a long-term job with varied activities and exciting challenges.

### Job title

For our assembly projects on construction sites and for technical services for long-standing industrial customers, we are looking for
