

Elenco delle istanze presentate dopo il 21 aprile 2023 e per le quali, in attuazione dell'art. 5, comma 6 e 7 del DL 13/2023, su tutti i giustificativi di spesa emessi a partire dal 1.6.2023 è obbligatoria l'apposizione del Codice Unico Progetto (CUP) ai fini della rendicontazione come prevista dai relativi avvisi, pena l'inammissibilità delle spese rendicontate.

I proponenti sono pertanto tenuti:

-) a porre particolare attenzione all'individuazione del CUP corrispondente al proprio Codice Pratica;
-) a comunicare perentoriamente ai propri fornitori la necessità di dar seguito a tale adempimento.

L'errata individuazione e/o la conseguente errata indicazione potrebbe determinare l'inammissibilità della spesa.
