# Public Health System

- ✓ Foreign citizens in Greece are entitled to use public health service.
- ✓ What is the European Health Insurance Card (EHIC)?  
A free card that gives you access to medically necessary, state-provided healthcare during a temporary stay in any of the 27 EU countries, Iceland, Lichtenstein, Norway and Switzerland, under the same conditions and at the same cost (free in some countries) as people insured in that country.
- ✓ Cards are issued by your national health insurance provider.

# Social Security System

- The Greek National Health System (ESY) was established in 1983. It aims to provide medical and hospital care to all persons living in Greece.
- The National Centre for Emergency Assistance (EKAB) is an emergency unit providing direct on-site first aid and evacuation services of patients to the nearest medical facility - (Call number: 166).
- Healthcare services are also provided by social insurance funds to their members. EOPYY [National Organization for Healthcare Provision] is the body responsible for providing such services.
- The reorganization of the Insurance System in Greece came into its final phase from 01/01/2017 when all old insurance Institutes were consolidated into a Single Social Insurance Institution (EFKA).

## Unemployment Benefit

- Declaration of status (registration at public employment service)
- 125 working days within the 14 months prior to the expiry or termination of employment, not counting the last two months before the end of it.
- 200 working days during the previous two years prior to termination of employment, not counting these last two months before the end of the employment.
- Maximum 1 year duration, 399,25 € plus 10% for each entitled family member (unemployed husband/wife, children under 18 years of age or up to 24 years of age if they study, with no age limit for unemployed and handicapped family members)

# Tax System

In the Greek system there are two tax categories:

Direct and indirect:

- Direct tax affects on income and property on various rates
- Indirect tax applies to transfer of goods, commercial transactions and consumers.

Ministry of the Economy and Finance: [www.minfin.gr](http://www.minfin.gr)

Regional Tax Departments: [www.gsis.gr](http://www.gsis.gr)

- Able to work in multicultural environment
- Able to work under pressure or under stress in fast rates

# Working conditions - Salaries

The legal minimum gross salaries since February 2019, also applicable for the tourism sector are:

- for the Employee status the minimum salary is 650,00 € (gross).
- for the Worker status the minimum salary is 29,04 € (gross) per wage

On the whole, the salary depends on the working hours,  
shifts, overtime, employment on Sundays and public holidays,  
(due to the specific features of the tourism sector) and is based  
on the legal provisions, the collective agreements, the company  
policy, as well as the negotiation between the employer and the potential employee

## CV for tourism sector

- A standard type europass CV with a photograph included is quite efficient for the tourism sector.
- The CV must be short and to the point. It should not in any case be longer than 2 pages and it must be written in English or the language demanded by the job offer.
- If you have relevant previous work experiences don't forget to mention it.

## Finding & Applying for a job

- **OAED** employment offices manage the national registry of Unemployment and provide counseling, mentoring or other Employment services.  
(<http://www.oaed.gr>)

- **EURES** is the formal European network of public employment services through which mobility is encouraged.  
(<http://eures.europa.eu/>)

- Private employment agencies certified by the ministry of Labour and Social Affairs may provide similar quality services.

**Thank You!**
