

PROFILE	RESEARCHER POSITION AT THE ITALIAN-GERMAN HISTORICAL INSTITUTE (FBK)
N. POSTS	1
LOCATION	TRENTO (ITALY)
VALID TILL	03.01.2021
DESCRIPTION	<p>This 3-year fellowship is an integral part of the research group of ISIG. The central task of the candidate is to develop a new and innovative research project in line with FBK's programmes and to build up a close collaboration with the various projects at the Institute carried out at present. For a long time, the main areas of research at ISIG were legal and constitutional history, confessionalisation and social discipline, forms of devotion and the sacred, and last but not least socio-political history and relations between Italy and Germany. More recently, the research agenda of the Institute has been widened by studies on media and communication on the one hand and projects of digital history and public history on the other hand. Today, we are also interested in fostering research projects in emerging fields like the history of infrastructures or the history of the environment, the history of public health and modern security studies.</p> <p>We expect candidates to actively contribute to the academic life of the Centre in all its aspects:</p> <ul style="list-style-type: none">to prepare a research project for a major international call (preferably as part of a European network);to participate regularly in project meetings and training;to contribute actively to the activities of the institute;to participate in the editorial work of the institute's journals (Annali, ARO). <p>Requirements:</p> <ul style="list-style-type: none">• have completed a PhD either in early modern or contemporary history (with a preference on the history of the long 19th century); the PHD should have been completed between 2015 and 2020;• have proven ability to raise international funds;• have experience with international research networks;• have experience in public engagement and promoting academic events;• have a good command of written and spoken Italian and English, and preferably also at least a reading knowledge of German;• have excellent organizational skills;• are team-players and willing to work alongside the project groups in ISIG to develop their international presence <p>Employment: fixed term contract (full time) Duration: 36 months Start date: preferably January 2021 Gross annual salary: about € 39.500 Benefits: flexi-time, company subsidized cafeteria or meal vouchers, internal car park, welcome office support for visa formalities, accommodation, social security, public transportation, sport, language courses fees.
